WORK EXPERIENCE

IT Tech 1 | Pitt County Schools | Pitt County, NC   Dec 2023 – Present

- Responsible for imaging and deploying new devices using FOG for Windows and Mosyle MDM for Apple devices.
- Updated inventory using AS400 and One to One Plus.

IT Tech Intern | Pitt County Schools | Pitt County, NC   December 2022 – June 2023

- Responsible for repairing, troubleshooting, and maintaining Mac and Windows devices at two assigned schools.
- Imaging new devices in a Windows Active Directory used by Pitt County Schools.
- Maintained network switches to repair devices without a network connection.

PROJECTS

CSV Reader - Java   June 2024

- Built a program that assisted in finding the funding source for over 2000 iPads based on previous data and data from Apple School Manager (ASM).
- **Features**: Will output a CSV file that shows all serial numbers, order numbers, and funding sources for each iPad. Program will save the funding source associated with the order number for future use.

TECHNICAL SKILLS
